

49er September Rally – Save the date!

Where: 990 Kraftile Road, Fremont, CA 94536

When: September 7-9, 2018

What: Classified as a work rally, we will also have fun things to do for both the men and the ladies.

We are planning entertainment for one of the evenings, a visit to an old auto museum in Niles, a BBQ, and lots of socializing.

Applied GMC is donating one hour of lift rack time to a lucky winning attendee for under suspension inspection. Time to be arranged at a future date.

Space is limited to the first 16 coaches to confirm. You can also join us without a coach if you wish.

If you plan to attend, please let Dean know ASAP what you would like to work on. Also, let Dean know if you have a technical issue you would like information on.
