

*GMC 49ers 42nd Anniversary Rally
November 9th, 10th & 11th, 2018
Colfax, California*

Our Anniversary Rally is going to be a wonderful time for friends, old and new. We will have a relaxing weekend. In Colfax, if we see something exciting, we lay down next to it and take a nap. And it is inexpensive: Two Favorite Songs per person and Only \$26 per person!

This will be a dry camping rally. We are arranging for minimal power (charge batteries) for those with CPAP machines. You will eat well and generally enjoy each other's company.

We are planning two exciting excursions to the greater downtown Colfax area. Each could last upwards of 20 minutes. (22 minutes if you stroll to the end of the block.) We have the splendid Aaron Gayden Band on Saturday evening. If you are new to Anniversary Rallies, folks spiff up a bit for the dinner dance. I would not show up in wife beater whites or a torn sweatshirt that says, "I Wish I had Died in My Sleep Last Night."

We will be having a tour of our home, Graestone. Built in 1936, Graestone is a historic home in Colfax. It is unique, and the grounds are beautiful. If you would like a preview, go to <https://graestone.org/some-pictures/>

Best Wishes,

George
